

Broken

(From the Easter musical Broken)

Chorus

This is my body it's broken for you

This is my blood it's poured out for you

It's poured out for you

1. Weighed down by my sin
All my hurt He bore
Broken to make me clean
Crushed to bring me peace
2. I had lost my way
In the maze of life
He has paid the price
Through his sacrifice
3. Yes I turned my back
Looked the other way
Man of sorrows then
He shall live again
