

Come Holy Spirit

Chorus

*Come Holy Spirit, breathe upon me now
Come Holy Spirit, breathe upon me now*

1. Come and fill my life anew
Set my spirit free so I can worship You
Come and fill my life anew
Set my spirit free so I can worship You

2. Light a fire in my heart
Let the flame burn strong so I may play my part
Light a fire in my heart
Let the flame burn strong so I may play my part

3. Rushing wind come blow right through
Power from above to help me follow You
Rushing wind come blow right through
Power from above to help me follow You
