
This day

This is the day the Lord has made
He fills my heart with grateful praise
With thanksgiving I will sing hallelujah

Jesus king above all kings I bow
Accept the offering I bring you now
Jesus king above all kings
Oh this day a heart of praise I bring

The Lord is here to him I raise
My living sacrifice of praise
In your presence I will sing hallelujah

Jesus king above all kings I bow
Accept the offering I bring you now
Jesus king above all kings
Oh this day a heart of praise I bring

This day when darkness turned to light
This day when I received my sight
This day when beauty filled the sky
To live and never die (repeat)

This day, this day, this day
